

FLIRTING WITH MERMAIDS

Flirting with Mermaids, John Kretschmer, Sheridan House, Inc., 2003, 1574091646, 9781574091649, 204 pages. Over the course of twenty years of delivering sailboats to far-flung quaysides, John Kretschmer has had innumerable adventures, both humorous and terrifying. In Flirting with Mermaids, he recounts the most memorable of them. He crosses the Western Caribbean with a crew of eccentric Swedes researching ancient Mayan mariners, lands in Aden at the outbreak of civil war, and endures a North Atlantic crossing during which he discovers the existence of Force 13 winds. Approaching Japan at the end of a particularly trying delivery, he finds himself sailing in "a high impact debris zone," but his resolve is unshaken. "If a piece of rocketship jetsam fell out of the sky and sank [me] after encounters with Hurricane Floyd, General Noriega, a tsunami, an erupting volcano, and Typhoon Roy, then it was meant to be."
